Patrick S. Druckenmiller—Curriculum vitae

Druckenmiller, PS & AP Russell. 2006. A new elasmosaurid plesiosaur from the Early Cretaceous Clearwater Formation, northeastern Alberta, Canada. 5(4): 184-199.

Druckenmiller, PS. 2002. Osteology of a new plesiosaur from the Lower Cretaceous (Albian) Thermopolis Shale of Montana. 22(1): 29-42.

Submitted manuscripts

Druckenmiller, PS, JH Hurum, EM Knutsen &

Grants, Fellowships and Contracts Awarded

- 2012: Curation of BLM Paleontology Collections, Bureau of Land Management, \$40,000.
- 2012: Research Experience for Undergraduates, Critical upgrades and digitization of the UAM Earth Sciences Collection, National Science Foundation, \$6,694.
- 2011: Critical upgrades and digitization of the UAM Earth Sciences Collection (DBI-1057426), National Science Foundation, \$392,466.
- 2011: Investigating dinosaur fossils from the Alaska Peninsula/Becharof National Wildlife Refuge, US Fish and Wildlife Service, \$9,980.
- 2011: Plesiosaurian phylogeny and diversification: bridging a geographical disjunction in the evolution of a major clade of marine reptiles, The Royal Society, UK, £2497.
- 2010: Backlog databasing of NPS Paleontology Collections at UAM, National Park Service, \$10,675.
- 2010: Documenting Alaska's Oldest Dinosaurs, US Fish and Wildlife Service, \$26,000.
- 2010: BLM Paleontology Collections Management, Bureau of Land Management, \$35,000.
- 2010: Graduate Fellowship for PhD student Mori, \$13,500, UAF Graduate School
- 2009: Rehabilitation of UAM Paleontology Collection, US Fish and Wildlife Service, \$30,742.
- 2009: Graduate Fellowship for PhD student Mori, \$13,500, UAF Graduate School
- 2008: Survey of Pleistocene vertebrates from the Selawik and Kobuk River areas, northwestern Alaska, US Fish and Wildlife Service, \$20,000.
- 2008: Marine reptiles of Svalbard, Alaska EPSCoR Travel Award, \$1421
- 2008: Travel Grant, UAF Faculty Development, \$750.
- 2005: Travel Grant, Samuel P. and Doris Welles Fund of the University of California-Berkeley Museum of Paleontology, \$600.
- 2004: University of Calgary Graduate Research Scholarship, \$4,100 CDN
- 2002: Research Excellence Envelope International, University of Calgary, \$4,200 CDN.
- 2001: Research Excellence Envelope International, University of Calgary, \$4,200 CDN.
- 2001: Corporate research grant, Syncrude Canada, Ltd., \$43,000 CDN.

Patrick S. Druckenmiller—Curriculum vitae

Invited Seminars

2005: University of California-Berkeley Museum of Paleontology

2006: Montana State University

2007: University of Nebraska-Lincoln

2011: University of Cambridge

2012: Institute of Arctic Biology, University of Alaska Fairbanks

2008, 2012: Department of Geology and Geophysics, University of Alaska Fairbanks

Meeting Presentations

[*u* *g* **bold** *c*]
r

Druckenmiller, PS, JH Hurum, EM Knutsen & HA Nakrem. 2011. An exceptional new ichthyosaur from the Upper Jurassic Agardhfjellet Formation (Volgian), Svalbard, Norway.

Stack^G, KP & PS Druckenmiller. 2011. Anatomy and relationships of a new Turonian hadrosauroid from the Matanuska Formation of southern Alaska.

Fowell, SJ, PS Druckenmiller, P McCarthy, R Blodgett & KC May. 2011. Paleoecology of Alaska's Jurassic Park.

Druckenmiller, PS, KC May, R Blodgett, P McCarthy & S Fowell. 2011. First record of Jurassic dinosaurs in Alaska from the Naknek Formation (Kimmeridgian-Tithonian), Peninsular terrane.

Druckenmiller, PS, M Whalen & N Kelley. 2010. An Upper Triassic (Norian) ichthyosaur with gut contents from the Otuk Formation, Western Brooks Range, Alaska.

Brown, CM

Parsons^U, J & PS Druckenmiller. 2009. Preliminary interpretation of an Upper Triassic (Norian) ichthyosaur from the Otuk Formation, western Brooks Range, Alaska.

Hurum, JH, PS Druckenmiller, EM Knutsen & H.A. Nakrem. 2008. A preliminary report on a new Late Jurassic marine vertebrate Lagerstätte from Svalbard.

Druckenmiller, PS, & AP Russell. 2008. An early North American occurrence of Polycotyliidae (Plesiosauria) from the Clearwater Formation (Early Cretaceous: Early Albian) of northeastern Alberta, Canada.

Knutsen^C, EM, PS Druck

Patrick S. Druckenmiller—Curriculum vitae

Druckenmiller, PS. 1999. Osteology and relationships of a new plesiosaur from the Thermopolis Shale of Montana.

Professional Society Memberships

Society of Vertebrate Paleontology (1994-present)

Symposium co-convener, 2009 annual meeting:

Patrick S. Druckenmiller—Curriculum vitae

Vertebrate Palaeozoology (TA)
Biology of Vertebrates: birds and mammals (TA)
Introduction to Biology II (TA)

Graduate Students Advised

Kevin P. Stack, M.S. 2012. University of Alaska Fairbanks. Thesis:

Hirotsugu Mori, Ph.D. student. University of Alaska Fairbanks. Dissertation:

Danielle Serratos, M.S. student. University of Alaska Fairbanks. Thesis:

Graduate Student Committees Served

Espen M. Knutsen. 2012. University of Oslo. Thesis:

Lene
