**Oral Presentation Assessment**

**Intern's Name** \_\_\_\_\_ **Date** \_\_\_\_\_

**Reviewer's Name** \_\_\_\_\_ **Role** \_\_\_\_\_

**Instructions:** Please complete the rubric below by checking off criteria that best apply to the presentation. In the comment section, please provide at least one positive comment and at least one suggestion that would strengthen the presentation

**An intern will be able to:**

**1-1 Articulate his/her general philosophy of education, and briefly explain the experiences and/or knowledge base that have contributed to the formation of those beliefs.**

## University of Alaska Fairbanks School of Education

### EDSC 472 Secondary Teaching: School Internship and Seminar Spring, 2011

Instructor: Secondary Licensure Program Faculty

Contact Information: 474-6589 1740 University Health Building, Room 101, University of Alaska Fairbanks

Office: Gruening 701A Conference by appointment...

#### **COURSE DESCRIPTION**

Supervised observation and learning in secondary school settings under the direction of the Secondary Licensure Program Faculty. Discussion topics may include special areas in the school or community, behaviors, special needs, curriculum development, teaching strategies, and the integration of technology across the curriculum. **Final Grade:** A grade of "Satisfactory" or "Unsatisfactory" may be entered in the system. The number of hours per week will determine assignments and cancel registration of students doing less than eight hours per week. **(Prerequisites: satisfactory completion of EDSC 471 or permission of instructor)**

#### **STATE OF ALASKA STANDARDS FOR TEACHERS TARGETED IN THIS COURSE**

Standard A. A teacher can describe the teacher's philosophy of education and the relationships in the teacher's practice.

Standard D. A teacher understands how students learn and develops appropriate knowledge in the teacher's practice.

Standard III. A teacher teaches students with respect for their individual and cultural characteristics.

Standard IV. A teacher knows the teacher's content area and how to teach it.

Standard V. A teacher facilitates, monitors, and assesses student learning.

Standard VI. A teacher creates and maintains learning environments which enable all students are actively engaged and contributing members.

Standard VII. A teacher works as a partner with parents, families, and with the community.

Standard VII. A teacher participates in and contributes to the teaching profession.

#### **INSTRUCTIONAL GOALS AND STUDENT OUTCOMES**

A. Goal 1: Candidates will apply National Standard I, II, III, IV, and V, the specific content areas, and their teaching Practice.

1.1 Candidates will consider their personal/philosophy of their content area(s) and incorporate discipline-specific pedagogical principles and research related to their content area(s) into their field-based lessons and activities.

1.2 Candidates will demonstrate their knowledge of their content area(s) and their knowledge of how to teach it.

1.3 Candidates will modify general teaching techniques for planning, implementation, assessment of their content area(s) in an authentic social / cultural context.

1.4 Candidates will use appropriate strategies to support students in learning.

B. Goal 2: Candidates will apply Alaska Standards for Teachers to their teaching practice.

2.1 Candidates will refine their teaching philosophies based on research and educational principles and educational theory.

2.2 Candidates will teach to the identified developmental abilities of students.

- 2.3 Candidates will demonstrate respect for the dignity and worth of all students.
- 2.4 Candidates will plan and conduct lessons which accomplish curriculum objectives.
- 2.5 Candidates will organize and develop a learning environment which promotes understanding and student learning.
- 2.6 Candidates will create and maintain a positive learning environment in which all students are able to learn.
- 2.7 Candidates will connect the school community to foster student learning.
- 2.8 Candidates will communicate effectively.
- C. Goal 3: Candidates will use technology to facilitate teacher organization and increase student learning.
- 3.1 Candidates will submit designated grade assignments electronically through internet or email using laptop computers.
- 3.2 Candidates will prepare an electronic portfolio which will document meeting all required course outcomes and national standards for teacher teachers.
- 3.3 Within their classroom, candidates will use computer applications such as word processing, spreadsheets, databases, presentation software, and audiovisual equipment to increase learning.

## EVALUATION

This course is evaluated by a variety of methods which determine the candidate's readiness to teach.

- A. satisfactory completion of course assignments within the following categories:
1. readings on design and topics
  2. class discussions
  3. Blackboard commentary or written responses to prompts
- B. quantitative and qualitative measures reflecting progress and achievement in the following areas:
1. demonstration of background knowledge and competencies
  2. demonstration of pedagogical skills
  3. demonstration of ability to apply knowledge made with respect to teaching
  4. demonstration of technological competency across relevant ETS 421

DOCUMENTATION OF EVIDENCE REQUIRED TO BE INCLUDED IN A CED. A CED IS A STUDENT PORTFOLIO WHICH DEMONSTRATE COMPETENCE IN ALL THE TEACHING STANDARDS. Evidence includes:

All evidence is presumed to apply to the candidate's specific content area.

## OUTCOMES

### Outcome 1.1- 1.4

Evidence: Each candidate will implement lessons and units including, but limited to whole lessons, mini-lessons, small and large group activities, and other activities in which the candidate is teaching.

Candidates will be research-practitioner and will be able to:

incorporate disciplinary and interdisciplinary theories and instruments in their lesson plans and activities.

Candidates will modify general teaching tools and strategies (including technology) to their own content area(s), present them in an active learning / cultural context, utilize them with knowledge of the content area and know how to teach it to students with various developmental and instructional needs. Plans and reflections will be on file in the candidate's lesson plan notebook.

Standard: National standards for specific content areas (See standards for specific content areas in Section II.) Each candidate's observation and evaluation forms will contain applicable standards from his/her specific content area(s).

### Outcome 2.1

Evidence: Each candidate will submit a written philosophy of teaching in general and specifically world teaching their content area to grade 7/8/9 students. Candidate will update this in her philosophy of teaching throughout the course. The most recent version will be submitted in the candidate's file box.

Standards: AST-I-SS3.2

Evidence: Video sample or student work sample demonstrating the relationship between the content area and its relationship to human values and endeavors, and to the real world.

Standards: AST-I

Evidence: Written reflection on the philosophy of teaching in general and specifically with the written philosophy statement.

Standards: AST-I, SS 3.2

### Outcome 2.2

Evidence: Written test demonstrating the reinforcement of concepts taught in their internships and activities.

Standard: AST-II, SS 1.1.10, SS 2.1.2.5

Evidence: Video sample or written report showing activities of observed teaching which meets academic development needs of diverse learners.

Standards: AST-II, SS 1.1.10, SS 2.1.2.5

### Outcome 2.3

Evidence: Written report by mentor and / or supervisor of observed interactions between the candidate and his / her students which demonstrate respect for their individual and cultural characteristics.

Standards: AST-III, SS 3.3

Evidence: Video sample, written reflection or other documentation of interactions between the candidate and his / her students which demonstrate respect for their individual and cultural characteristics.

Standards: AST-III

Evidence: Syllabus, bibliography, teaching materials including multilingual and appropriate materials being used in the candidate's area of assessment.

Standard: AST.VI

#### Outcome 2.4

Evidence: samples of lesson plans showing materials that can be used to teach a content area and how to teach it Standards: AST.IV, SS1.1-10, SS1.2-3, 1.0.5S1-2 Evidence: video sample, written reflection or other documentation by candidate on how to teach a content area and how to teach it.

Standards: AST.IV, SS1.1-10, SS2.1-2.5 Evidence: written report by mentor and / or supervisor, of observation of lesson plan, demonstrating knowledge of current documents on how to teach it

Standard: AST.IV, SS1.1-10, SS2.1-2.5, SS3.5

#### Outcome 2.5

Evidence: samples of student assessment instruments including formative and summative tools Standards: AST.V, SS1.1-10, SS2.1-2.5 Evidence: samples of records of student progress and achievement Standards: AST.V, SS1.1-10, SS2.1-2.5, SS3.5

#### Outcome 2.6

Evidence: photographs of effective classroom environment Standards: AST.VI, SS1.1-10, SS2.1-2.5 Evidence: video sample, written report by mentor and / or supervisor, demonstrating a learning environment in which all students are actively engaged and contributing members Standards: AST.VI, SS1.1-10, SS2.1-2.5, SS3.5

#### Outcome 2.7

Evidence: samples of communication with parents, families, and the community that demonstrate an attitude of partnership Standards: AST.VII

#### Outcome 2.8

Evidence: artifacts documenting preparation for contribution to professional community Standards: AST.VII

Standards: AST.VII

Evidence: Written documentation, calendar, and electronic portfolio indicate scope and sequence of course requirements and method of documenting satisfactory completion of requirements using applicable technology Standards: SS3.4

#### Outcome 3.1

Evidence: Candidates will send copies of written assignments to their supervisor by email or internet as required by their supervisors

Standard: National standards for the application of educational technology (See standard for pre-service teacher certification Sector IUR). Evidence: candidates' observation and evaluation forms will contain applicable standards from this / their specific content areas(s) including user interface design.

### Outcome 3.2 C and D Public

Evidence: Candidates will prepare an electronic portfolio on a CD or other accessible site to document how they reflect the experience assessment course outcome standards for their field and national teaching standards. They will use a variety of creative media to demonstrate their ideas such as animated cartoons, musical compositions, poems, posters, photographs, news stories, and short movies of field trips and guest speakers. Standards: National standards for the specific content area(s) include appropriate use of technology. The standards for specific content areas in Section II.B. Each candidate's observation and evaluation form will contain applicable standards from his / her specific content area(s) including those in the following sections. Students will present selections from portfolios at a meeting of peers, visitors, faculty, guests, incoming candidates and faculty.

### Outcome 3.3 B,C,D, PUBLIC

Evidence: Candidates will create and teach lessons using applications such as word processing, spreadsheets, databases, Power Point, and other presentation software on computers and printers to maximize student learning.

Standards: AST-IV, SS1.1-11U

### READINGS

Current and classic readings in education including:

- academic reading for adolescents - current issues in education
- current practices in education - meeting education standards
- secondary handbook-program guide to common core standards

### EXPECTATIONS

Students are expected to behave in a manner consistent with that of professionals in the field of education.

### CALENDAR

Students are expected to follow the calendars of the schools in which they are placed for their experiences. Students meet periodically during semesters; times and dates are listed on the following calendar.

### ACADEMIC SUPPORT

Academic Support Services including, but not limited to computer rooms and services and writing center hours and services can be found at the following website [web site](http://www.uaf.edu/ssspl)  
<http://www.uaf.edu/ssspl>

### DISABILITY SERVICES

The Office of Disability Services (ODS) implements the Americans with Disabilities Act (ADA), and insures that UAF students have equal access to the campus curriculum materials, facilities, Services, a part of UAF's Center for Health and Counseling provides academic accommodations to enrolled students who are identified as having disabilities. The UAF ADA office makes every effort to work with each student to improve the necessary accommodations for all identified students enrolled in our courses. To access services, the student must provide current disability documentation that supports the requested services. If you believe you are

eligible, please contact the Office of Disability Services or the Office of Equal Opportunity, or visit <http://www.uar.edu/disability>. You may also contact a student and enrollment services staff person at the Office of Equal Opportunity, or the Office of Student Support Services. For more information about Americans with Disabilities Act accommodations, contact the Office of Equal Opportunity or the Office of Student Support Services.
