Correction: Curriculum Review

The Student Academic Development and Learning Center (SALC) has reviewed the curriculum for the

program and has determined that the curriculum is appropriate for the program.

The curriculum review was conducted by the SALC members and the results are as follows:

1. The curriculum is relevant to the program and meets the needs of the students.

2. The curriculum is challenging and provides opportunities for students to learn and grow.

3. The curriculum is well organized and easy to follow.

4. The curriculum is up-to-date and reflects current industry trends.

5. The curriculum is flexible and allows for individualization of instruction.

6. The curriculum is well supported by faculty and staff.

7. The curriculum is well evaluated and provides opportunities for feedback.

8. The curriculum is well documented and easy to access.

9. The curriculum is well communicated to students and parents.

10. The curriculum is well supported by the community.

11. The curriculum is well supported by the industry.

12. The curriculum is well supported by the government.

13. The curriculum is well supported by the media.

14. The curriculum is well supported by the public.
