## 9. Course Policies:

Attendance: Students are expected to attend all classes and actively participate in discussions. Requests for excused absences must first be discussed with the instructor for the section to be missed. It is the responsibility of the student to provide an excused absence form to the instructor for signature. In the event of emergencies resulting in absence, it is the student's responsibility to contact the Department office and register the cause as soon as possible. Exams will draw on lecture material and students that do not attend class will likely not to do well in exams.

Classroom Behavior: Any type of behavior in the classroom/laboratory that is disruptive, distract2.6(I)2.8(am)-6
